Subject: RE: Request to UW/NOAA: Any comments?

As a follow-up to our meeting I have developed a draft letter to send to UW/NOAA. Please edit and pass back. After more thought I think it is better the letter come from the program (hence Jill or Rochelle). Also, I can check on Monday but if someone has a few minutes to try and find a date and time to meet with UW/NOAA prior to the end of August that would be great. While great to have everyone at that meeting with UW/NOAA I think we should have the core folks as the priority. Thanks.
